Tenders were called for in respect of the above work Three tenders were received and considered by the Works Committee at their meeting held on 18-6-1954 They found that the total of the tender amounts at the rates quoted by Sri Krishnamurthy and of Sri Abdul Basith including the sales tax in the latter case were higher than that of Messrs Sri K Bhimiah Lingiah and therefore recommended that the tender of Sri K Bhimiah Lingiah to take up the work at estimate rates might be accepted This was sanctioned by the Council at their meeting held on 6-7-1954

I enclose a copy of the resolution ~~of~~ together with the sanctioned estimate and plans and a copy of the note of the Municipal Engineer on the tenders received and the comparative statement and request that orders of Government may kindly be obtained early approving the tender of Messrs K Bhimiah Lingiah, as the construction of quarters to sweepers is very urgent

SUBJECT

(3)

Copy of Note dated 15-6-54 from the Municipal Engineer, City Municipal Council, Mysore.

Subject - Tender for the construction of Sweepers Quarters.

Tenders for the above work had been called for keeping the last date for receipt of tenders on 17-5-1954. As only one tender in thisbehalf was received viz., from Sri Abdul Basith it was ordered for calling fresh tenders keeping the last date for receipt of tenders on 31-5-54 In response to the retender three persons have submitted their rates in respect of this work. The tenders were opened on the 31st May 54 ie , the last date for receipt of tenders. A comparative statement of rates secured for the several items of work involved in this behalf is prepared and submitted herewith for favour of kind perusal. As could be seen from the comparative statement Messrs Abdul Basith, M E. Krishnamurthy and K Lingaiah, Bheemaiah & Bros are the three tenderers The rates secured from these tenderers are Rs. 29649/- 32649/- and Rs. 30000/- respectively. Of three tenders received the first one secured from Sri Abdul Basith is conditional viz., " Sales tax for the articles applicable will be extra " while the others tenderers have given their tender inclusive of all rates as per the terms of the tender notification In case condition mentioned by Sri Abdul Basith is accepted and his tender considered, calculating the rate of sales tax on the full turnover of Rs. 29649/- which is the general practice, an extra amount of Rs. ~~463-4~~ 463-4-3 will have to be added to the value of work as per the rates tendered by Sri Abdul Basith whereby the rates offered by him comes to Rs. 30112-4-3 which is higher than the rate offered by ~~Sri~~ Messrs K Lingaiah, Bheemaiah and Bros by Rs. 112-4-3. Sri Abdul Basith has given a representation on 9-6-54 after the tenders are opened stating that the sales tax referred to in his ~~tenx~~ tender is applicable only in respect of wood, paint and asbestos sheet and this has not been considered.

In consideration of all these, the undersigned is of the opinion that the tender of Messrs K. Lingaiah, Bheemaiah & Bros which is at the estimated rate of Rs. 30000/- and which is unconditional and in order could be accepted as the other unconditional tender of Sri M R. Krishnamurthy, which is also in order is higher in value

If approved the subject will be placed before the works Committee for thier kind consideration to the Municipal Council to approve the recommendations of the undersigned.

C o p y,

Municipal Commissioner.
